

ASQ Pacific Region Virtual Quality Conference

November 6 and 7, 2020

Note: Events are open to all and there is no charge to participate.

Theme: “Recover Stronger with Quality” – *Surviving a drastic change while balancing organizational complexities using Innovation, Risk Management, Quality Principles, and Technology*

Introducing the first Pacific Region Quality Conference (PRQC). The goal is to provide a forum for like-minded professionals to share their ideas and learn from workshops and presentations resulting in enhancements to personal development and business acumen, building on the foundation of quality.

Spread the word among coworkers, friends, and anyone you know who might benefit from attending this event. With a selection of workshops on Friday, an impressive slate of speakers on Saturday, and networking opportunities galore; there will be a plethora of takeaways for everyone.

Focus Areas:

- **NextGen:** Quality Tools and Methodologies are helpful to make a successful career in Quality.
- **Management Excellence:** Organizations can build a cultural foundation that encourages innovation, reduces risk, and creates an enterprise-wide commitment to quality at every level.
- **The Enthusiasts:** Explore leading-edge approaches to quality program implementation and get insight into how industry frontrunners leverage best practices, emerging technologies, and advanced tools to enhance results.
- **Digital Disruption:** Understand and translate the business process requirements into an integrated, scalable, universally accessible, and light on resource needs is critical in today's Quality environment.
