“BEER’S THE THING”

Site Visit

Ice Harbor Brewing Company 206 N. Benton Street - Kennewick

The Ice Harbor Brewing Company was founded in 1996 when Mike Hall and Bill Jaquish quit their jobs at the Hanford site to pursue their dream — to start a local brewery.

Mike and Bill had both homebrewed for 10 years and had learned that great beer can only be brewed by people with a deep understanding of brewing and a driving passion for beer. Their dream was to create a place where local beer lovers could stop by to talk about beer, sample the brews and fill their refillable bottles with draft beer like in the days of old. They dreamed of being the best brewery around, with their beers proudly served throughout the Tri-Cities.

From this vision the Ice Harbor Brewing Company was born. Located in downtown Kennewick, the 7,000 square foot building houses the brewing area, homebrew supply shop, offices, cold storage area, warehouse space, and a pub. The upstairs features a pool table and 4 steel-tipped dart boards.

Ice Harbor Brewing Company produces four primary beers: Runaway Red Ale, Sternwheeler Stout, Harvest Pale Ale, and Columbia Kölsch. Other brew styles are produced seasonally and are available for two to three months.

Join us Wednesday, October 4th for a tour of Ice Harbor Brewing Company. You'll have an opportunity to sample some of the beers and to learn more about the company's quality processes, products and philosophies, including:

- Fresh is Best
- Small is Beautiful
- Customer Service & Satisfaction are Key to Success

Following the tour, talk and (optional) tasting*, a light dinner will be provided by the Brewery staff.

**For those who wish to partake in the "tasting" (sampling several of Ice Harbor's beers), there is an additional fee of \$5. Please indicate your interest when making your reservation.*
