

Lyn Griswold

Treasurer

Lyn Griswold received a Bachelor of Science degree in Chemistry from McMurry University in Abilene, Texas, and a Master of Science degree in Chemistry from Purdue University in West Lafayette, Indiana. She worked for more than 10 years in the Pharmaceutical Industry as an Analytical Chemist before transitioning into environmental cleanup projects eventually moving into the Quality function.

Lyn currently works for Bechtel National, Inc. as a Quality Assurance Specialist at the Hanford Waste Treatment & Immobilization Plant. In this role, Lyn is helping move the Plant through the Commissioning Phase and toward the Operations Phase where the Plant will process and stabilize waste stored at Hanford through a vitrification process. She is the primary Quality Representative on the Commissioning Joint Test Group and is the Subject Matter Expert for the Laboratory Quality Program.
