ASQ: The Global Voice of Quality

ASQ (American Society for Quality), is a global community of people passionate about quality, who use the tools, their ideas and expertise to make our world work better.

The 70,000+ member professional association, with representation in over 130 countries, creates better workplaces and communities worldwide by advancing learning, quality improvement, and knowledge exchange to improve business results.

By making quality a global priority, an organizational imperative, and a personal ethic, ASQ becomes the community for everyone who seeks technology, concepts, or tools to improve themselves and their world.

ASQ MEMBER UNITS

More than 230 volunteer-run local ASQ member units across the globe provide opportunities to meet and learn the business of quality from people in your community.

One local membership is included when you become a member of ASQ. In addition, you have access to all ASQ Divisions, with many resources and discussion groups.

BENEFITS OF MEMBERSHIP

ASQ membership provides professional development tools, networking opportunities with other people passionate about quality and access to unlimited knowledge to guide you on the path to success. Full membership includes the following benefits:

Online access to ASQ’s Quality Body of Knowledge

Member discounts and special pricing on ASQ products and services including training, 18 certifications, conferences, books and journals

Subscription and online access to ASQ’s monthly flagship magazine, Quality Progress, with in-depth articles, case studies and practical advice

ASQ forums and divisions: industry-specific communities for questions and discussions of hot topics with your peers

Membership in one of ASQ’s local communities with related discounts and opportunities to share ideas and best practices with other members in your geographical area

The myASQ Online Community, where you can create your own user profile, upload and share files, provide feedback and build your own network to share your expertise

Join us at the next ASQ Columbia Basin meeting!
