## **HOLIDAY GET-TOGETHER**

### **Ice Harbor at the Marina**

**350 Clover Island Drive**  
**Kennewick, Washington**

Not your ordinary section meeting! All Columbia Basin ASQ members are invited to get together on Tuesday, December 10, to celebrate the holiday season.

This is a great opportunity to take a little break from our regular meeting format, check out a different venue, and get together just for fun. There will be no special speaker (unless one of you wants to volunteer!)

As a “thank you” to our many loyal ASQ members, the section will cover the cost of several appetizer plates.

You are welcome to also partake (no-host) in the beverages of your choice (they offer many different styles of beers on draft, and beer samplers, as well as wine and other beverages). You can also purchase entrees if you would like to do so.

And, not to worry - you don't need to be a beer lover to have a great time at this get-together, so please consider coming and joining in the fun.

You are encouraged to invite your spouse or a guest/friend; just be sure to make your reservations by December 4, so we can be sure to have enough room for everyone who wants to attend.

*A little about Ice Harbor at the Marina:*

*Once upon a time... Most great stories start this way and theirs is no exception. When the owners of a small microbrewery in Pasco decided they would rather focus on the packaging aspect of brewing, Mike Hall and Bill Jaquish used it as an opportunity to take their own intense love of home brewing to the next level. In 1997 Ice Harbor Brewing was born. Word got out quickly among beer aficionados about the little brewery in the Columbia Basin that was making really great beer. By 2004, demand for the beer, coupled with Mike's and Bill's desire to provide a true pub experience for customers led to Ice Harbor Brewing moving to its location in historic downtown Kennewick. Three years later, Ice Harbor at the Marina was opened to provide a more upscale dining option on Clover Island. Each location has its own charm and character. Visiting the Brewery and Pub (our ASQ section has toured there in the past) is like coming to the neighborhood bar of yore, and the waterfront Marina restaurant offers the same great beers and is also a great place to hang out and relax with friends.*
